

for you last week; I have not
yet ascertained what was paid
for them -

How is now studying with
Mr. Hoyt at Auburn & I have not
seen him for 6 weeks - I hope to
see him at Xmas. Mrs. Washburn
is not here now - but is visiting friends
She will be with me in Boston for
2 or 3 weeks to come, then go to her
sisters - Dr. Hamilton is in Bangor & we
have visited him. He is very well
& seems to be enjoying himself there.

We often think of you - for
we learned last year to think of you
almost as our own lives - our prayers
constantly for God's blessing upon you
"He is our refuge & our strength."

Remember me kindly to all my Bulg.
friends - including the boys in the college
I think of them a great deal

Yours very affly

Korn Washburn
