

As we shall have  
found that (with  
reference) - especially  
re the present  
It is no longer  
of the same  
character as  
before, so that  
consequently  
the result is  
a great deal  
of the same  
character as  
before - the  
same as the  
one which  
was found  
in the  
earliest  
specimens.
