[illegible] и [illegible] и мечти,

~~[illegible]~~

В безсънните [illegible] нощи

През [illegible], свидно ~~[illegible]~~ [illegible].
А и [illegible] [illegible] [illegible] [illegible]
~~[illegible] [illegible] [illegible] в [illegible] [illegible] [illegible]~~

Та как е разбрана ~~[illegible]~~ [illegible] моята душа,
ни ~~[illegible]~~ [illegible] [illegible] [illegible] —
то ~~[illegible]~~ [illegible] ~~[illegible]~~ ~~[illegible]~~ ~~[illegible] [illegible], [illegible] [illegible]~~ за [illegible]
Не вижда в душите — [illegible]
