

name, language, beliefs, customs and values
relationships - more in freedom and

the freedom is not a secondary
issue in, in practice in language and culture.

Let's see how we are, in practice,
in our lives in society and culture,
how we live and work and play.

in practice, in our lives, in society and culture,
how we live and work and play.
Let's see how we are, in practice, in society, in culture,

how we are, in practice, in society, in culture,
in practice, in society, in culture,
in practice, in society, in culture,

in practice, in society, in culture,
in practice, in society, in culture,
in practice, in society, in culture,

in practice, in society, in culture,
in practice, in society, in culture,
in practice, in society, in culture,

in practice, in society, in culture.
