

AMARI DWRZHAVA

Amari romani dwrzhava si i Palestina. Amaro thagar – tsar Faron. Ekh vryamo ikardyas chifuten. Dyas len phuv, dyas len limorya, dyas len giva te sadien, te prezhipen, te orien, te han. On kiravde o giv, hasarde les. Avilo vakwti te vakeren e roma. Ov na barilo giv, barilo khanle barile. Amare roma o zaman chhinenas lunentsa. Grastentsa marenas o harmani.

Alo ekh chifuti.

– A be, thagara, to thagaripe tuke. Amende na barilo giv, barilo khanle.

– Ami soske, so kerde kava giv?

– Ami, kiravdyam les.

– Eh, shtom kiravduan les, so barilo, davka ka vvrshonen.

Tradindyas le purange, nange nakhle ko armanos e khanlentsa. Gadaleske akan e chifuten..., ako dikhesa chifutes molisar les ili matyar les te chhol po puno pwrango, les ko puno isi hevya. Kava si po nasledstvo, ot hilyadi godini si po nasledstvo. Haya dzhi haya si lenge e pune.

I togava veche so ka keren e chifutya – izmaminde amare thagares. Thoon leske andre kafyavo otrova, otrovinen amare thagares. I amare prosta roma razposayle – kon Indiya..., ando sasto svyatos razposayle. Ama gadaleske akana amari azbuka hasardili. Tume hakeren, amare roma genen, genen dzhi ko peninda enya. Kon reslo dzhi ko peninda enya trebva te vorbinel shovdesh, evtadesh, ohtodesh, enyadesh shwl. Soske isi ame shwl, a ninay ame shovdesh, evtadesh, ohtodesh, enyadesh? Znachi hasardili amari azbuka, hasardilo amaro dialekti o romano. Kate dzhanes amare roma achhile dolna natsiya. Amen kerde e chifutya kale derzhavate.
