

– De be, otka mi lastika, be!

– Ne! Phuter me vasta, ka davla tuke!

– A be, de mi lastika, be!

– Phuter me vasta – ka dav la tuke!

Ov phutrel leske vasta. Ov uryandilo. Dinyas leski lastika, a ov uryandilo. Hop, ale ekh kamara manusha te dikhen les. O pwrvo phenla:

– So kerdyan, mo? Muklyan les?

– Ami, lilyas mi lastika! – phenla – Manglyom la. „Phuter me vasta!“ – phenla. – Phutardyom leske vasta – phenla – i gelo, uryanilo.

Odova alo.

– A be, hohaasa tumen, chi isi manush! Manglyam amare phrales te prandenas les. Te arakhen deekha – phenla – te prandenas les.

Vsichko gelo peske. Ova lel pes, gelo ki sevana te kerel buki. Odova... inklyola ekh manush, dela les ekh bal i phela:

– Tharesa les i inkyola tuke arapis! So mangsa, kova ka del tut – drehi, vsichko ka del tut.

I ov ka lel o bal. Garavdyas la. I ov zhala ki savana. Kerela buki, chhinela mas, shkembeta chhinela. Chhivela ki savana, kola...

Dobre, ama lel ekh shkembe thool pe sheres thay gelo ko vode-nicharis. Ka sadil, ka kerel buki. Ka orinel, ka sadinel domatya, kova... Phenla:

– Mamka mu stara! Me ka lav kaya bal, kate diya man! Ach te dikhas so ka inklyol!

Ov tharela o bal i hop – o arapi inklyola.

– So mangsa?

– Mangaa shukar drehes, ekhe grastes!

Vednaga o arapi dela les. Gras, drehes, okova... Posle so phendyas leske odova – garavdyas pes. Gelo ki brasnarnitsa. Thovdyas les kerela buki otka. Barile e piperkes, domatya, Thagareski rakli dikhla sar mangel odova... Odova shkembesa phirela.

– Kelesh?

– So si, ba? So vakyaresh?

– Ka beshes katka ando brasnarnitsa! Avdies si pazari. Me ka zhav te biknav hari domatya, hari piperkes, ta te lav deekh love.

– Zha, be! Zha!

Zhala okova, ov inkalela o bal. Tharela o bal i o arapi inklyola otar. rakli dikhla upral.

– Mangava ekh shukar grastes! Drehes, sichko, vednaga!

Lilyas, uryavdyas pes, ukisto o grastes. Buuu – ko gras. Odova gelela
