

– O! Hayom le!

Oda phenla:

– O! Hayom le!

Peravdas i kula ko epash. Phenna:

– Thay but barvali si!

Ukisti ko grast. Ama ale shtar phrala i kula peravzi. Odaya nanay athe. I pele pal late. Roden la odaya i nakhen o balkani. Pe balentsa shulavdyas katar nakhli. Shulaya e patre. But bare si lake bala – swrma sach. A kate. o kote, odaya kay irisinela... Averunge kana chhinde, averunge o nak chhindo, averunge vushta chhinde. Kerde le nishanlade – vsichkite. Gele zhi ekhe livadate. Bichhal la ekhe ovchari.

– Ka zhas ka vakeres amare dadeske!

– Me – phenla – dvanayset godini lake. Tolkova voynitsi zhertva dadoh, oda lia la!

Ale sar khere akana. Thovde I hala len, phanle leske vasta sws verigi. Toy gi otkina. Toy e silen mnogo. Vakerdas leske dayake te te phandel leske musya balentsa. Nashhi chhinna i phenla:

– Ayde akana, ka zhan te chhinen i hala!

Lena I dandaletar ekh phabay. Na chhinna la. Inkalde leske akana chhite le andi tsadilka. I amano rikono lela amaro zhungal leske. Dermendzhi penla:

– Brey! Kava ergeni but slabisinin! Me akana ka pazinav les, kate ka zhal!

Gelo otar. So te dikhel? O chho but lachho. Avzi-tasya, avzi-tasya - parvardyas le o chho. Savzemindyas, zoraylo.

Edin den mnogo slwntse. Thoa le tal i rogozi, aswri, talal i chernika. I pashyola, ama but uchiskere. Toy razbira I ot na vrabtsite ezika. Chhip zhanna. Phenla:

– Te muken mange ekh por, te kerav me yakhore! Te dikhav!

Mukle leske po ekh por. Kerdas, dikhlyas. Uchime. Avzi-tasya, zadikhle. Phenla o dermendzhiske:

– Baba! Ama kodaya hich na phutarla e udara!

– So?

– Askere.

Chho phenla:

– O udar si sastruno. nashti te chhinyol.

Lela oda... Gele otar phutersarel o udar. Gele andre, kerde moabeti.

– E, baba! Me shtom andyom la, tu na les la mandar!

Lel, chhindyas les. Andyas o dermendzhiyas ta lilyas... Ta kodoa... lesko dat, pe dades, pe da chhindyas.
