

~~the first thing I did was to
go to the bank and get
some money out of my
savings account. I was
glad to find that I had
enough to pay my
rent and buy some
food. I then went to
the store and bought
some meat and vegetables.
I was very happy to see
the children and to hear
that they were all well.
I then went to the
school and saw the
teacher. I was glad to
see her and to hear that
the children were all
doing well. I then went
to the church and saw
the minister. I was glad
to see him and to hear
that the church was
doing well. I then went
to the hospital and saw
the doctor. I was glad
to see him and to hear
that the patients were
all well. I then went
to the court and saw
the judge. I was glad
to see him and to hear
that the court was
doing well. I then went
to the prison and saw
the warden. I was glad
to see him and to hear
that the prisoners were
all well. I then went
to the factory and saw
the manager. I was glad
to see him and to hear
that the factory was
doing well. I then went
