

The first thing I noticed when I stepped
 out of the plane was the humidity. It was
 a relief after the dry air of the desert.
 The city was a mix of old and new, with
 ancient ruins and modern skyscrapers.
 I was in luck, as the weather was
 just what I needed. The people were
 friendly and the food was delicious.
 I had heard that the city was a bit
 boring, but I was wrong. There was
 so much to see and do. I had found
 a great place to stay, and the staff
 was very helpful. I was in good
 luck, as the weather was just what
 I needed. The people were friendly
