now an agreement is  
made with the  
management of the  
company and the  
shareholders to  
maintain the  
company in a  
state of liquidation  
and to pay the  
debts of the  
company as they  
become due.

The management of the  
company is to be  
conducted in a  
manner which  
will be for the  
benefit of the  
shareholders and  
the creditors of the  
company.
