

"Journal of the American Medical Association",
 Vol. 11, 1959, p. 25. *Journal*
 of the American Medical Association
 is a weekly peer-reviewed
 medical journal published by
 the American Medical Association.
 It is one of the most
 widely read and cited
 medical journals in the
 world. The journal covers
 a wide range of topics
 including clinical medicine,
 epidemiology, and public
 health. It is known for
 its high quality of research
 and its commitment to
 providing the latest
 information to its readers.
 The journal is published
 in English and is available
 in both print and online
 formats. It is a valuable
 resource for medical
 professionals and students
 alike.
