

The first of these is the
 fact that the system is
 not a simple one, but a
 complex one, involving
 many different factors
 and many different
 methods of treatment.
 The second is the fact
 that the system is not
 a simple one, but a
 complex one, involving
 many different factors
 and many different
 methods of treatment.
 The third is the fact
 that the system is not
 a simple one, but a
 complex one, involving
 many different factors
 and many different
 methods of treatment.
