Rome - vltima Roma
volumen in Zeno

emp. 152

The last raid (Rome!) carried
out by Vans during the fifth
century in the lower Roman
provinces was launched over
an unguarded part of the
river in the early days of
the imp. Zeno (474-91) whose
generals seem to have feasted
it back without much trouble
(some as Rome may have done,
were glad to take service in the
Imperial armies)
