History of Armenia

Asper the Master of the Soldiers
managed to arrange a truce
for one year at the beginning
of the campaigning season of 442.

Comp. 84 441-443 mg.

A small number of the coins
show, instead of Theodosius,
his wife Eudocia and his sisters
Palcheria.

According to Memnon, Sesostris king
of Egypt, made allies of the Armenians,
and, after subduing Asia, gave them the
land of Armenia and changed their
to the Persians. This train of thought
was pushed to its logical conclusion.
